

Traditional Features Back on Desert Circus Program

Rogers Scene of 3 Events

Western Barbecue, Fashion Show, Court On Program March 11

Long a tradition in Desert Circus history, the popular western barbecue, fashion show and kangaroo court at Rogers Stables was back on the schedule of activities of the 12th annual Circus production today.

The event will be staged at noon on Thursday, March 11, under the personal direction of Trav Rogers, noted horseman, resort owner and Circus events leader for many years.

JUST A FEW DAYS AGO Rogers re-assumed command at the stables that bore his name for so many years and a shift of the barbecue and fashion show back there as originally scheduled was possible. Recently when it appeared that the Stables, under former ownership, would be closed, it was thought probable the event would be transferred to Thunderbird Ranch.

Far more colorful and fun-packed than any of its predecessors will be the Rogers event this year. Added to the regular barbecue and kangaroo court will be a first-class fashion show to be staged under the direction of Mrs. Dick Grant, assisted by Jack Ballard, manager of Bullocks, and Robert McKenzie, manager of Desmonds.

PROFESSIONAL MODELS will display the very latest in sports and western togs that will be the rage in 1948. Southern California's finest clothes will be displayed. And the garments will be those for both men and women.

Leo Fields, the veteran jurist of Kangaroo courts, will hold the second session of Circus Week in connection with the barbecue. General chairman of this part of the Circus schedule is Barney Hinkle who also will direct plans for the "court's" session the preceding day at the opening Desert Inn luncheon.

Up to some deviltry for the barbecue event was Bill Gargan, popular film star and Palm Springs denizen, this week. He and his fellow schemers promise to come up with a very unique entertainment feature. And Trav Rogers also has a few tricks up his sleeve, says the report to the publicity department of the Circus.

Feeling wobbly and seeing things. They blame it all onto Palm Springs

I'm inclined to string along with Westbrook Pegler in one sense, at least. . . . He has been directing barbs toward fellow columnists for consorting with gangsters and riff-raff and neglecting the fine art of truthful reporting. . . . I'm beginning to believe he's right about the neglecting part after reading some of the things visiting newspapermen have said about us when they got home. . . . In a sense, however, it isn't reporting. They come down here and, feeling vacation-minded, hang one on. . . . Maybe the local bar boys mix their potions more potently, maybe the visiting members of the hunt and peck fraternity misjudge their assimilative powers. . . . Anyway, when they get back home, their pockets inside out, a splitting head, little men with mallets chasing butterflies around in their stomachs, they sit down and, in an alcoholic fog, start fanning at the dancing keys of their typewriters. . . . What comes out is a tirade against Palm Springs. . . . They don't stop to think that if they made the same dampfools out of themselves in Cucamonga they'd feel just as bad.

THEY SAY it's a sign of old age to speak of the good old days. . . . But it seems to me that a lot of the visiting boys of the press do not measure up to the old-timers. . . . More of the Front Page and movie-type of journalists than the old-line workmanlike reporters. . . . And it seems to me that the old boys could carry their loads lots better. . . . At least, they didn't blame the place where they got that awful hang-over. . . . Nobody twisted their arm to bend the elbow. . . . Well that's that. . . . I'm thankful that I met some of the real newsmen who came here. . . . Walter Winchell, the late Howard Vincent O'Brien, Gene Sherman, to mention a few.

WHEN I sat down here 20 minutes ago in the peace and quiet of a noon hour to peck out this (Please turn to Page Eight)

Reorganization of C. of C. Under Way

New Bus to be Moving Picture Of the Village

It's going to be a pleasure to ride in the new pictorially decorated Tanner Auto Livery's city bus.

As a matter of fact, there are some who believe that many who have never had a ride on the city bus, will be lining up in queues at each stop to be among those to board the new vehicle that went into operation this morning.

THE NEW CITY BUS, its sides resplendent with vivid photographic pictures of Village life, was formally previewed by city officials Wednesday. Among those present to congratulate Mrs. Polly Isenagel, local manager of Tanner's Motor Livery Ltd., were Mayor Clarence Hyde, City Manager William E. Alworth, and Oliver B. Jaynes, publisher of The Desert Sun.

Also present to receive the good wishes of those present were General Manager for Tanners Willy Stewart and Assistant Manager Bruce Whited.

THE BUS will carry 29 passengers in solid comfort in sharp contrast to the six-passenger vehicle long in service here and which has been operating under over-loaded conditions for some time.

The new bus will operate as heretofore, north and south on Palm Canyon drive, and four times a day to the Lienau Village on East Ramon road.

Rehearing

City's Protest on Beer License Overruled

Overriding protests of city council, the state board of equalization granted Mitchell's Village Sandwich Shop, the right to dispense beer and wine on the premises.

City Manager William E. Alworth upon receipt of word that the permit was granted despite the city's protest, said that a petition for a re-hearing of its protest would be filed with the state board of equalization.

Accused Auto Raiders Held In County Jail

Ben H. Griffen and James C. Brewer were in the Riverside county jail in lieu of \$2,500 bail each, pending their preliminary hearing before Judge Eugene E. Theriault, on charge of burglary.

Both men were arrested early Friday morning by Beaumont police for local authorities on the charge that they had assertedly broken into a parked automobile and purloined valuables belonging to the owner, David Walker of Los Angeles. Other charges arising from similar thefts are pending, according to Chief of Police August Kettmann.

Going Up?

Town's Only Elevator Gains Headlines

It's the town's only elevator—but it gained prominence yesterday.

The motor operating the doors in the elevator at Bullocks Palm Springs acted up and sent out a lot of smoke.

Firemen dashed to the scene and when they left, the only damage reported was to the motor itself.

Steak Ride

Desert Riders Will Rally Tuesday Night

Members of the Desert Riders' association will take to the desert on their monthly moonlight-steak-ride next Tuesday night. Climax of the evening will be dancing at the Wars Memorial building sponsored by Los Compadres, to which the Desert Riders have been invited.

State Officers Of DAV Will Speak Tonight

Villagers and visitors will be given an opportunity to see the Disabled American Veteran organization in action tonight.

An open meeting to which everybody is invited will take place at the Wars Memorial building at 8 p.m. today with Bert Landis, California state director of rehabilitation and former state commander of DAV and Earl Lucas, national service officer of that organization will be the featured speakers.

THEIR ADDRESS will be preceded by ritualistic rites performed by Palm Springs Chapter 66 of which Dr. James A. Potter is the commander.

Earlier in the evening Lee Berling, himself a World War II veteran and manager of the Palm Springs Tennis Club, will tender the visiting officials and officers of the local chapter a sumptuous dinner.

THE MEETING at the Wars Memorial building, Dr. Potter said, will be of particular interest to veterans of both World War I and II. Lucas in his address will tell these veterans of their rights under federal laws as ex-servicemen, how to go about obtaining hospitalization, filing of applications for compensation and how that compensation can be continued under the law if justified.

Landis will explain how veterans may go about in obtaining schooling, rehabilitation and training for a livelihood.

ALL MEMBERS of the Disabled American Veterans, in order to become members of that organization have to show disability as a result of services. Hospitalization for them, schooling, on the job training and rehabilitation is a constant battle of vigilance into which the DAV enters with its specific work.

The laws are so involved in technical verbiage, it was pointed out, it takes a "Philadelphia Lawyer" to unravel and find the benefits to which the disabled are entitled.

"IT TAKES A MAN well grounded in the laws affecting disabled veterans," declared Dr. Potter, "to ascertain who is and who is not entitled to benefits under regulations."

The meeting tonight Dr. Potter declared should be of benefit to every ex-serviceman and particularly those who served in World War II.

He added that it is the intention of congress and the people of this country to take care of its disabled veterans and the DAV are ever vigilant to see that this wish is carried out.

Mink and Manure

Newest Village Organization Gathers In the Cash to Aid Community Hospital

The first inspiration for the name of the club was not unlike the second, for both "added" up, the end result was: "The Mink and Manure Club."

Actually it was the desire of the organizers, Trav Rogers, manager of Rogers' Ranch again, and Bill Gargan, radio and motion picture star, to do something for sweet charity, in this case to increase the financial steam of the listless campaign of the Palm Springs Community Chest fund.

CONCEIVED and decided upon, it quickly flourished with prospective members clamoring for an opportunity to become part of the original charter. One thing all prospective candidates were assured of was that no one would be black-balled as long as the fee \$2, was handed in, in the form of Uncle Sam's coin of the realm.

At a late count last night at Rogers' Ranch where recruiters stand by with pen, and membership-card in hand, the line was forming on the right and a total of approximately \$400 had been collected in dues since Monday night when the first card was signed.

ALL OF THIS MONEY will be handed over to the Community Chest earmarked for use by the Palm Springs Community Hospital.

As for the two inspirations which welled to overflowing in

Up Slowly

Chest Total Reaches \$42,059 Is Report

Official ending of this year's Community Chest drive ended in a home-stretch spurt yesterday with \$42,059 collected and enough more confidently expected to raise the total to \$45,000, it was announced.

Money was still coming in Thursday afternoon and several large contributions were still expected.

If the total does reach \$45,000, the amount will be approximately \$1,000 more than contributed last year, when \$44,000 in cash was collected and a pledge of \$1,000 which was never paid. Only \$500 in pledges were sent in this year.

Be There by 3:35 or Before

Still they come in, those letters and requests for tickets to hear Jack Benny, star of stage, screen and radio, broadcast from the American Legion hall next Sunday afternoon at 4 p.m.

The tickets have been gone since a week ago but the requests are continuing. One optimist called in asking for six yesterday.

Those fortunate enough to get two of the 340 tickets allotted the Village are reminded that the doors will close at 3:35 p.m. and no one will be admitted after that time.

Benny and his wife, Mary Livingston, are winter residents of the city. The remainder of their cast will arrive tomorrow. Technicians have been here for some days preparing for the broadcast which is expected to give Palm Springs some more coast to coast fame.

Junior C. of C.

Membership Meeting At Legion Hall Feb. 25.

Regular meeting of the Junior Chamber of Commerce general membership will be held in the World Wars Memorial building meeting room, next Wednesday night, it was announced this morning by President Don Artz. The board of directors meet this noon at the Chi Chi.

SPORT CAR SPEED TRIALS

Scheduled at La Quinta Sunday have been postponed due to unforeseen circumstances, it was declared today. Future date for event will be announced later.

Boys' Club's New Home Ready Soon

Frank Partridge Who Started Activity, Says March 15 Is Date

New home of the Palm Springs Boy's Club is expected to swing its doors open to 91 or more of its young members March 15, according to announcement by Frank Partridge, director.

Founded July 19, 1945, as a sponsored organization of the Palm Springs Lions Club, considerable credit for the success of the organization has been laid at the feet of Partridge.

THE NEW BUILDING, converted former Torney General Hospital ward was moved and placed on its present site on Andrews road west of Avenue Los Caballeros February 12.

The money to pay for the building and its movement to its permanent site has been accumulating in the treasury of the Boy's Club almost since its organization.

"But," declared Partridge, "we are \$5,000 in the hole now and need considerable furnishings to complete the interior."

UNDAUNTED by what most people consider a Herculean task of finding finances, Partridge insists that the furnishings, supplies for craft-rooms, kitchen equipment, books, athletic equipment, ice box, light fixtures and a myriad of other things would be forthcoming.

Others who have watched Partridge in his Boy's Club work, a project around which his heart is entwined, are willing to lay odds that he will obtain the furnishings in the end.

HISTORY of the organization reveals that after a series of money-raising events in which all members of the Lions Club lent a hand, it was incorporated in 1948.

The officers and directors of the corporation are as follows: President, George Oliver; Vice-president, Kenneth Kirk; Second Vice-president, Lloyd Simons; Third Vice-president, Henry Wick; Fourth Vice-president, Ernest Aschuler; Treasurer, Charles Burket and Secretary, Merrill Cockett.

THE YEAR of 1947 was an active one for the organization. The Boy's Club was selected as an agency by the Community Chest and the organization received operating expenses. Four (Please turn to Page Four)

Marathon

La Bue Stays on 120 Hours, Chest Gets \$2100

At 11:30 p.m. Tuesday Art LaBue stopped his marathon announcing stunt at KCMJ—and during that time he had raised \$2100 for the Community Chest. One donor gave \$1,000, impressed by LaBue's stamina, another \$600 and the rest came in smaller amounts.

During his 120 hours of continuous broadcasting, LaBue played 1372 records, made 546 spot announcements, 267 station identifications, 53 news broadcasts and drank 127 cups of coffee.

The 22-year-old announcer who worked while the rest of the staff slept, did his snoozing in 15-minute catnaps while CBS programs were on the air.

No, he didn't lose any weight.

To Aid Children

Premiere at Plaza Is For Shrine Charity

Premiere showing of "The Sins of Harold Diddlebock" starring Harold Lloyd, drew a large throng to the Plaza Theater Wednesday night.

All tickets sold were in the form of a donation to the Shriners' Crippled Children's Fund, to be used in the erection of a hospital in Los Angeles.

Elmer G. Huss, 584 Calle Roca, reported to police that his wife, Verna, 54, fleeing from an attack by two dogs Tuesday, fell and broke her arm.

Plans Started For Menswear Session in Fall

The Palm Springs Chamber of Commerce yesterday announced a luncheon meeting at the Desert Inn next Tuesday to discuss initial plans for the 1948 Menswear Roundup, the annual style show for men sponsored by the Menswear Manufacturers of Los Angeles.

Key men of the retail stores of the Village and representatives of the hotel and apartment division of the chamber of commerce are being invited to meet with officials of the Los Angeles association to discuss the Roundup. Knute Thorson and Dick Malony of the Menswear group met here this week with Harry Harper, manager of the chamber, after which the luncheon session was scheduled.

Tribute Paid To Memory of Frank Cutler

Creation of a library of garden books as a memorial to the late Frank W. Cutler, first president of the organization, was voted this week by the Palm Springs Garden Club.

It is planned to have the books available to the public, and it is hoped that arrangements can be completed for installing the memorial section in the Public Library.

TO SUPERVISE the installation and collection of books, the club elected Mrs. Barney Johnson as librarian.

Mr. Cutler, who died in Portland last summer, was the founder and president of the club here last year. He had become intensely interested in gardening and just prior to leaving for the summer had constructed a unique greenhouse for experiments this winter. The greenhouse was tested over summer and found to be superior to anything in that line ever constructed on the desert, and since has been copied by nurserymen.

MEMBERS OF THE CLUB already have indicated they will make contributions of books to the Memorial Library as personal tributes to the memory of Mr. Cutler who, besides his interest in the garden group, was one of the Village's most active civic workers.

Action to create the Memorial Library was taken by the club in approving by-laws of the organization. They provided for establishing of the library. The report of the by-laws committee was presented by Frank Camp who served with Ray Wilson and John Hormel in drafting the rules.

Mrs. George Mannington, president, presided at the meeting held at the home of Mr. and Mrs. (Please turn to Page Eight)

Harper Firm In Decision To Quit Post

Resignation of Secretary To Take Effect on March 1

The financially disabled Palm Springs Chamber of Commerce, gasping for the want of dollars and cents, was figuratively placed under an oxygen tent this week and came up fighting, determined and in the throes of the biggest reorganization in its history.

Directors who came to a special meeting of members in the auditorium of the El Paseo theater Tuesday night determined to resign, and carrying the news of hard-working Harry Harper's resignation effective as of March 1, heard the first proposal turned down and disbelief in the plan of Harper to step down.

HOWEVER, Harper, determined to resign and for the fourth time too, had his written resignation regrettably accepted at a special meeting of the board of directors yesterday morning.

Harper's long cherished ambition to enter private business will at last be gratified. He will open a public relation and publicity office in the Village.

And although Harper may have resigned effective as of March 1, the directors were loath to see him depart and have received a partial assurance that he will assist in the re-organization of the Chamber in March, or until a successor is found.

As for the operation of the office itself and the services of Earl O'Day who has been doing a splendid job of publicity and photography. It and he will continue to function as in the past until re-organization is complete.

MOST IMPORTANT CHANGE in the necessary campaign for financial support of the Chamber, discussed at great length Tuesday night and agreed upon by directors Thursday morning, was to cull the directorate of ten members, three of whom have been inactive and seven of whom represent the Home Owner's League.

The withdrawal of the Home Owner's League was made at the suggestion of that organization (Please turn to Page Five)

Annual Ride

Horsemen's Association To Ride on Sunday

Annual Sunday breakfast ride of the Palm Springs Horseman's association to which members may invite their families and friends, is scheduled for Feb. 22. Breakfast from Jack Boyer's chuck-wagon will be served at the rendezvous point two miles south of Smoke Tree Ranch along the Palm Canyon Wash.

The PUBLISHER'S Corner
by OLIVER B. JAYNES

AFTER THREE HOURS of discussion, about 70 members of the Palm Springs Chamber of Commerce in meeting last Tuesday night still couldn't answer the question: Why is it that some 600 business and professional men and women of Palm Springs failed to join the organization and carry their fair share of its support? There were almost as many ideas as people present but all seemed to agree that there wasn't anything wrong with the Chamber of Commerce that proper financing wouldn't cure; that Palm Springs needs an organization such as the chamber worse right now than in any time in its history, and that some new faces on the board of directors would be a good idea.

The meeting brought out some interesting suggestions for the general good of the community and may be the forerunner of more Chamber of Commerce sponsored public gatherings. It might be a great help toward better unity in the Village—a thing so badly needed here. Everybody seems to be going a different direction and small groups are in constant conflict with one another. A renewed interest in civic affairs is taking place in Palm Springs. If the Chamber of Commerce can be put on its feet as it should, it will make things look a lot brighter in the Village.

NEXT TUESDAY NIGHT there'll be another community meeting at the El Paseo theatre. It's open to everyone and will not last late. If you are interested in Palm Springs and its future, plan now to attend the meeting. You have lots of ideas—here's a chance to view them, and to listen to some interesting opinions of others. It doesn't cost anything—should prove interesting, profitable and maybe even entertaining!

HAVE YOU ANY extra tickets to the Jack Benny broadcast? If so, the writer would appreciate having a couple! We got tender-hearted and gave away ours. . . . Well, that's something The Desert Sun will never do again—pass out a few tickets to such an occasion, make a few friends and disappoint several hundred. We did our best and HONEST we don't have a single ticket—didn't hold out any on anyone. So please forgive us and we'll never do it again!

Miss Koontz, H. H. Tuchfarber Wed in Village

Palm Springs Community church was the scene of the marriage of Miss Helen R. Koontz, daughter of Mr. and Mrs. R. B. Koontz of Oklahoma, and Harry H. Tuchfarber, son of Mr. and Mrs. Bert Tuchfarber of Palm Springs at 2 o'clock the afternoon of Valentine's day.

The bride, a resident of Palm Springs since last June and an active member of the Community church choir, formerly made her home in several different cities in Oklahoma, attended Oklahoma A.&M., after which she was a member of the Wacs during three years of the war, most of which time was spent in North Carolina and Georgia.

The bridegroom has resided locally and in Riverside and graduated from Palm Springs high school before joining the navy taking part of his training in V-12 at Southern Methodist in Texas. He spent thirty-six months overseas. He is at present employed in town by Contractor Charles Chamberlain.

Reverend John Jacks who made the trip from Oklahoma to perform the ceremony brought with him his wife, Mrs. Jacks, and the bride's mother and father. It was necessary for them to begin their return trip the morning after the wedding. This was their first visit to California. The services were attended by friends and relatives of the popular couple who later presided at a lovely reception at the home of Mr. and Mrs. Ray Tompkins.

The groom's brother, John Tuchfarber, acted as best man during the double ring ceremony; and Barbara Sanders, friend of the bride since her arrival in California and during two years in the service, was maid of honor. Ushers were Van Linkletter of Cathedral City and Russel Tompkins of Palm Springs.

If you put all your eggs in one basket, put the basket in the safe.—Arnold H. Glasow.

Business Women Hear Thanks for Civic Activities

Letters of appreciation for the work the Business Women's club is doing to promote the Village and its civic affairs, were read at this week's breakfast meeting of the organization at the Royal Palms dining room Wednesday.

Mrs. Mildred Veano, president, was in the chair.

Letters were received from Marilyn McKay, Desert Circus Queen, in appreciation of their part in the Coronation Ball; from Mrs. Harriet Henderson for the work the club did in connection with the Christmas tree party for youngsters; from Mrs. Madge Holderman, public health nurse, for aid in Welfare clinics; from Caroline Hicks for help given the TeenTarget; from Mrs. Betty French, on behalf of the Girl Scouts; from Mrs. Beth McCloud, Business Women's club of Longview, Wash.

Guests at Wednesday's meeting were Miss Lorraine Harper of the Community hospital staff; Marie LeVeque of the chamber of commerce; Margaret Anderson, visiting with her sister, Mary Anderson; Betty Strane of the hospital; Louise Wise of the Royal Palms; and Mrs. Don Artz of the Pago Pago.

Many items of business were discussed at the breakfast meeting and reports of progress on the various activities of the club made.

Mrs. Morrison Honored Guest At Baby Shower

Mrs. Maurice (Norma) Smith gave a baby shower in her home Wednesday night for Mrs. Bob (Barbara) Morrison.

Invited to be present were Mesdames Gil Smith, Trudy Hall, Doris Redding, Wendell Delano, Donna Mills, Tom Lyon; Misses Mary Corman, Anne St. Claire, Joanne Tuttle, Joy Arkellian, and Nan Dutenhoffer.

Colorful Story Of California Now Being Told

Miss Valley Reviews
Latest Books About
State Before Club

California's Centennial Celebration in 1948 is bringing forth a wealth of books about this state and its history, one of the most interesting of which is "It's an Old California Custom" according to Patricia Valley, vivacious young book-reviewer, in her lecture "News from the Book Front" at the Woman's Club meeting, Feb. 16. Miss Valley in reviewing the book pointed out some of the oldest California customs of hospitality, of speaking in superlatives, of being proud, of real estate booms, and gambling in the form of taking long chances.

Not only is 1948 a popular year for California histories, but also for histories and historical novels of many types," said Miss Valley, "since we are beginning to realize the importance of an understanding of the past in order to map out a plan of peace for the future."

Among the books discussed by Miss Valley were "The Great Rehearsal" by Carl Van Doren; "Garrettson Chronicle" by Gerald Warner Brace; "The Proper Bostonians" by Cleveland Amory; "We Called It Culture" by Victoria and Robert Ormand Case; "The Purple Plain" by H. E. Bates; and "Eagle in the Sky" by F. Van Wyck Mason. She aroused curiosity and interest in each book by selecting significant details to highlight the general discussion.

During the business meeting it was announced by the president, Mrs. Harold Murphy, that Mrs. William Wright will head the nominating committee which will consist of Mrs. Henry Dollard, Mrs. Tom Holland, Miss Maude McQuillin, and Mrs. Kenneth Kirk.

The tea committee for the afternoon was Mrs. Charles Mathews, Miss Teresa Fields, Mrs. R. C. Morrey, Mrs. J. G. Munnholland, Mrs. J. E. Potter, Mrs. R. R. Wilson, and Mrs. E. H. Maggard. Decorations were by Mrs. Henry Dollard and Mrs. B. F. Shearer.

Engagement of Miss Joan Maass Is Announced

Mr. and Mrs. Herbert Maass of New York City and Palm Springs are announcing the engagement of their daughter, Joan, to Victor Oristano, son of Mrs. V. Oristano, of New York City.

The couple will arrive in Palm Springs on March 12 to be married here on a date to be decided later.

Miss Maass is connected with the United Nations Organization in New York. Her parents are season visitors in the Village.

Fashion Show To Be Featured At Tennis Club

Expected to attract scores of interested women—and men, too, is the fashion show to be staged tomorrow at the Tennis club by Lori Lee Lyon.

She will show her original creations in sportswear which she has designed with a special eye on Palm Springs use.

Attendance is by reservations to see the Lori-Lyon Originals.

Many from All Parts of Nation At La Quinta

Returning again for a winter vacation at Hotel La Quinta is Bennett "Try and Stop Me" Cerf, who has been joined by Mr. and Mrs. Arthur Hornblow Jr. of Beverly Hills.

Other New Yorkers at the hotel are Mrs. Laura Z. Hobson, author of "Gentleman's Agreement"; Mr. and Mrs. Albert Lasker; Mr. and Mrs. S. H. Golding with Mr. and Mrs. Joseph Pulvermacher.

At the hotel for another gay houseparty this season are the following group of friends, Mr. and Mrs. W. G. Mackenzie of Vancouver, Mr. and Mrs. H. W. McCurdy of Seattle, Mr. and Mrs. E. W. Rudow of Mercer Island, Washington; Mr. and Mrs. T. K. McManus of Berkeley; Mr. and Mrs. John MacLeod of Los Angeles; and W. G. Easterbrook of Mercer Island, Washington.

Admitting he robbed a filling station, a man arrested in Cleveland told police he "only did it to get money." He was already tanked up.

We're told the nation faces a double crisis. Shall we try for four?

New Jerseyites Entertained at Round of Parties

Being entertained during the week at a round of intimate parties are Mr. and Mrs. Frederick Sundermann of Englewood, N. J. and Mr. and Mrs. Duncan Strawbridge of Saddle River, N. J. They are visiting at the Racquet Club as the guests of Mr. and Mrs. Burnham Bigelow.

Since this is the Sundermanns' first visit to Palm Springs in twelve years and the Strawbridges first visit here, they have been enjoying touring the desert area. They were entertained for cocktails Tuesday by Dr. and Mrs. Robert Morrey, and on Wednesday by Mrs. Noble Banks, after which they were honored at a dinner party at the Tennis Club.

Miss Farrier Entertains in San Francisco

Of news of interest from the San Francisco bay area is the report of a cocktail party given by Dorothy Farrier, 415 Val Del Monte Del Norte, to celebrate her thirteenth anniversary in the Bay Area charm school profession.

The event, attended by almost three hundred well known San Franciscans, also marked the opening of her new Studio of Charm located in San Francisco.

Miss Farrier originated the charm school idea seventeen years ago on the Pacific coast, since which time she has established branches throughout the world. She established her residence permanently in Palm Springs and manages her many institutions of charm by long distance telephone from the brink of her swimming pool.

Immediately after the party Dorothy Farrier and her husband, Kenneth Hahn, returned to Palm Springs where they are having open house for their many west coast friends this week and next prior to leaving for Acapulco on an extended vacation.

Birth cards that fit easily into a billfold are now being issued by several states. Much handier than a birth certificate, it is a combination birth registration and identification card.

Red Hearts, Flowers Mark Sweetheart Ball

Eastern Star Club
Hostess at Annual
Outstanding Event

Red hearts and flowers festooned the Wars Memorial building on Saturday night for the lovely Valentine-Sweetheart Ball presented under the auspices of the Eastern Star Luncheon Club.

Approximately two hundred guests gathered to enjoy an evening of dancing to the music of Al Parsons and his band, bingo games, and much fun and merriment.

The hostesses, carrying sweet nosegays made by Ida Peterson, were Mesdames Fern White, president of the club, Virginia MacDonald, Helen Winterton, Ann Purcell, Emmajean Hume, Edna Brott, Marian White, and Dadora Dean.

A delicious buffet supper was served later in the evening at which time a lovely door-prize, a set of silver bookends, was awarded to lucky guests, Mr. and Mrs. G. G. Waller.

Mrs. Sanborn Is Hostess For Sister-in-Law

Eastern Visitor Feted
At Delightful Bridge
Luncheon Wednesday

The Palm House was the scene of a lovely bridge luncheon given by Mrs. G. K. Sanborn in honor of her visiting sister-in-law, Mrs. Floyd Sanborn on Wednesday afternoon.

Replying to Mrs. Sanborn's unique invitations were Mrs. Don Jones and Mrs. F. B. Dauchy of Riverside; Mrs. Ray Sumner and Mrs. James Taylor of Beaumont; Mrs. Henry Obst of Banning; Mesdames William Wright, Clare Kinne, John Holditch, Harold Murphy, Maynard Groth, Lloyd Raab, Marvin Sale, Ted Griffith, Al Weingarten, Frank Winterton, Gladys Denton, Eugene Hughes, Phil Delano, Harold Lienau, Lyle Newcomer, Effie Mae Grogan, and Dr. Georgiana Raymond.

JOYA and JAYNO Tell All

ONE of the loveliest parties of the week was hosted on Wednesday by Mr. and Mrs. Robert Ransom to honor Mrs. Howard C. Davidson of Washington, D. C. . . . Gathering in the Lanai Room of the Tennis Club for cocktails and a delicious luncheon were Mr. and Mrs. Carl Johnson, Mrs. Earl Cordrey, Dr. and Mrs. Henry S. Here to recuperate from Hollywood life are three of the most popular and supposedly most handsome movie idols. . . . There is Clark Gable looking very debonair sporting about solo in an eye-catching convertible. . . . And Cary Grant, who we haven't seen, but accurate sources reveal his presence here. . . . And last and least is Errol Flynn, who we find looks far worse off the screen than on it. . . . Wonder if the long hair is being grown for his next part or if he likes the weight of it to keep him from losing his head. . . .

Mrs. Mary Whitehouse had as her guest at the Soroptimist luncheon Tuesday Mary Davidson, of Dayton, Ohio, who is staying here through March. She has been joined by her brother, Mr. Patterson with whom she is co-heir to the Plaza properties. . . . Over this weekend Mr. and Mrs. Charles Glass are entertaining their nephew and his wife, Mr. and Mrs. P. B. Glass of Los Angeles, and Mr. and Mrs. A. H. Phelps of Greeley, Colo. . . . The Glasses recently went in to Pomona to look over the Fernstrom Paper Mills there with which Mr. Glass is connected. . . .

Miss Michel Entertained on Visit to Village

Miss Margaret M. Michel, former Palm Springs high school teacher, was vacationing in Palm Springs last weekend. Accompanying her were her sister, Lois E. Michel, and her parents, Mr. and Mrs. Edward Christian Michel who have recently sold their home, The Maples, in Dayton, Ohio, and are planning to live in Pasadena.

On Friday afternoon the Michels were the guests of Miss Helen McCallum in the patio of her Ocatillo avenue home, and Miss Kathleen Rye arranged a dessert in honor of the visitors in her home on San Jacinto Way on Friday evening.

Miss Michel is enjoying her classes in Compton college where she has a very fine position as instructor in the department of home economics.

Visitors from Upland Feted At Village Home

Tuesday evening, February 17, Mr. and Mrs. Arthur H. Licht and their daughter, Sandra, 6, of Piedmont, California, feted their eldest daughter and her husband, Mr. and Mrs. R. B. Novack, Upland, California, at a dinner in the Chi Chi followed by dancing at the Colonial House. The event was in celebration of the Novack's second wedding anniversary and the first birthday of baby "Dougie" Novack. Mr. Licht is an active member of Davidson and Licht Jewelry Company, Oakland. The entire group are staying at the White Sun Guest Ranch.

Easter Sunrise Choral Practice Is Progressing

The members of the Community church choir are eagerly looking forward to their singing during the annual Sunrise service to be held on the hillside overlooking the Desert Inn, Easter morning, March 28th.

Mrs. Holly Lash Visel, director of music, has chosen outstanding sacred musical selections, familiar to all, to be sung during the presentation. She is, as usual, vigorously rehearsing the choir to attain vocal and ensemble perfection.

Highlighting the service, will be a period of broadcasting over the facilities of the Mutual Broadcasting System and its local affiliate, KCMJ. The choir, augmented by a number of local singers, will participate in this program as well as the customary Sunrise service.

Choir rehearsals are being held at the Community church here in Palm Springs every Thursday evening, beginning at 8:15 o'clock. All local singers who would like to take part in this impressive and colorful annual presentation, are cordially invited to attend the rehearsals at that time.

Community Church Building Fund Campaign Opens

As the climax to the weeks and months of preparation for the Building Expansion program of the Community church, a "Chest of Joash" Sunday will be observed at the regular morning service (eleven o'clock), February 22.

"This custom goes back some twenty-seven centuries to an experience in the history of Israel, as recorded in the Old Testament (II Kings 12:9)," said the Rev. James H. Blackstone, pastor. "A chest was placed by the altar in the temple and the people brought their gifts and contributions and placed them within it."

AT THE SERVICE this Sunday a beautifully carved ancient Spanish chest over four hundred years old, provided by John C. Langtry, will be placed in front of the altar of the church. After the sermon by Rev. Blackstone on the subject "We Are Stewards," all those who are present will file past the chest and will place their pledge cards in it. There will be no reading of names or amounts pledged, and consequently no embarrassment to visitors who may not wish to contribute. This service commences the drive for a total of \$125,000 needed to provide Sunday school units and social rooms, and to enlarge the seating capacity of the church sanctuary.

"God has blessed and prospered Palm Springs and all who have an interest in this work are invited to share in it," said Rev. Blackstone.

The choir will render special music and Mrs. Fay Brainard will sing a solo, "He Smiled On Me" by O'Hara.

A nursery is conducted for children during the 11 o'clock service.

THE COACHELLA VALLEY Christian Endeavor Union is to have a rally in the Community church on Sunday evening, commencing at 6:15. The meeting will be under the leadership of Miss Pat Fowler. The high school girls quartette of the Community church will render a special number. Both the Junior High and Senior High Christian Endeavor groups will unite in this rally.

At the evening service, 7:30 o'clock, a song service will be directed by Holly Lash Visel and

Geo. Washington Church-Goer, Will Be Topic Sunday

Rev. Robert M. Hogarth, rector, will preach Sunday morning in the Episcopal Church of St. Paul in the Desert on "George Washington, Churchman."

"The Episcopal church regards this fellow churchman of long ago as an ideal of practical Christianity," the Rev. Robert M. Hogarth, rector, said. "In the neighborhood of Mount Vernon, for miles around, every little Episcopal church proudly sets aside 'Washington's pew' for the attraction of admiring tourists. So also in New York and New Jersey, and other centers of military operation in the revolution we find evidence of his constant church-going."

The Lenten services on weekdays this week will be two in number: Tuesday, February 24, at 10 a.m. Holy Communion and meditation. Thursday, February 26, from 3 to 5 p.m. in the home of Mrs. H. Earl Hoover, Smoke Tree Ranch, with Litany and address by Rev. Hogarth on "The Episcopal Church: Her Discipline," with social hour, tea and

a choir of forty-seven boys and girls will present special music. Sunday school classes start at 9:45 a.m.

Tax Notes

By EDWARD J. NELISSEN

WHAT CONSTITUTES INCOME

The first items to be reported on the individual income tax return are the salaries, bonuses, commissions and other compensation received for services rendered during 1947.

For most taxpayers this is a simple procedure since the amount to be reported will be the amount shown on the "W-2." However, if the employee travels in the course of his employment and the employer reimburses him SEPARATELY for the traveling expenses the employee must add the amounts so reimbursed to the compensation shown on the "W-2." If such reimbursements amounted to more than \$500.00 during the year the employer will have given him a form "1099" showing the amount expended is then deducted from the total received. The amount expended and the amount reimbursed may not always be identical since for instance, your

refreshments.

Confirmation candidates will have two more weekly instruction hours before the Bishop comes on March 7, Sundays at 6:00 p.m.; Tuesdays at 7:30 p.m. and Wednesdays at 4:00 p.m.

employer may reimburse you on a mileage basis for your car expenses and you may choose to deduct the cost of repairs, gas, oil and depreciation actually incurred. Remember that the relationship of "employer-employee" exists even if you own all of the stock of a small corporation and you are an officer of this corporation.

Reimbursed expenses and expenses incurred by an employee in the course of his employment WHILE AWAY FROM HOME are the only expenses which can be deducted directly from compensation for services. It is important, however, to take this deduction directly off the income since by so doing you can still claim the \$500.00 standard deduction on the long-form or automatically take the 10 per cent deduction on the short-form.

When services are paid for in property in lieu of cash the fair market value at the time of receipt should be included in gross income. Thus, board and lodging furnished in addition to wages constitute income unless furnished for the convenience of the employer. Compensation paid for in stock or notes constitutes income at the fair market value of the stock or notes.

Also, do not forget that automobile, refrigerator or house won in a radio contest or drawing.

**Father Dies Two
Days Before Baby
Daughter is Born**

Death stalked through the life of a baby girl two days before it was born when its father, Lawrence Simpson, 34, member of the Owen Coffman Post of the American Legion and resident in the Village for more than four years, failed to rally from a fatal heart attack.

He died at the Coachella Valley hospital February 12 at 5 p.m. His wife, in the same hospital awaiting the birth of her child, knowing all the time of the serious condition of her husband finally had a five and one-half pound baby girl delivered to her Sunday Feb. 15 at 12:35 p.m.

DURING THE COURSE of a stag party at the Wars Memorial building by members of the Owen Coffman post, approximately \$50 was raised for the widow.

Other friends in the Village are attempting to collect a fund for the mother and child to at least tide her well on her way to recovery from child birth.

THE OWEN COFFMAN POST conducted services for the deceased in the auditorium of the Wars Memorial building at 9:30 a.m. yesterday with Rev. James H. Blackstone officiating. Later the body was shipped to Simpson's former home in Oakland for burial.

In addition to his wife and new born child, Simpson is survived by a brother, Earl J. Simpson, and seven sisters, all of whom live in the Oakland area with the exception of two, one of whom lives in Philadelphia and the other in Gresham, Oregon.

"The future of the Navy depends," the Secretary of the Navy has said "on a national understanding of seapower, and the ability of our Navy to control the sea ways; adequate trained personnel competent to perform the technical assignments necessary today; ship and aircraft industries capable of rapid expansion and thorough research and development programs."

"In this Air Age, the Navy as a combat organization, is as strong as its aviation, the air arm on which rests the burden of maintaining our seapower," according to the Hon. John Nicholas Brown, assistant secretary of the Navy for Air.

CULVER NICHOLS**To the Citizens of Palm Springs:**

TO VOTE in the April City election you must be properly registered BY MARCH 4. Don't wait in line at the last minute. Register today at the City Offices before it is too late.

This election is unusually important because voters in 5 of the City's 7 districts face the responsibility of selecting the new "board of directors" for our municipal corporation.

"Slates" of candidates will doubtless be nominated, with backing from interests that would like to influence or control a majority of the Council and thereby control the City government. For example we might reasonably expect a slate endorsed by a downtown business group, seeking to promote and protect legitimately the growing commercial community of Palm Springs. Still another group may get set to "liberalize" the Council and City government, toward the goal of a "wide-open" town. This kind of liberalization, that could wink at gambling and related unlawful enterprises, has been vigorously resisted by every City Council we have had, including the present one. Law-abiding citizens will want the new Council to continue such resistance.

The important thing to remember in the election is that each Councilman is an individual, your personal representative, and that we want a government of men and women, not of interests and slates.

The district I represent is one of the largest Palm Springs neighborhoods devoted primarily to home and family occupancy. I feel that our comparatively unvoiced and unaggressive RESIDENTIAL Community needs representation in the City government in order to maintain a balance with the more active commercial community.

I am running for a second term because I sincerely believe that I can properly represent Palm Springs and my district and that my working knowledge of our City's many complex problems will help me to be of real service in the difficult times that lie immediately ahead.

With this first message I hope to arouse citizens to the urgent need of registering to be voters, and voters to a careful and searching scrutiny of every candidate, including

FIRECLIFF LODGE—The new bungalow hotel, named for its owners, Cliff Henderson and Leonard Firestone, has recently been completed at Palm Desert and will celebrate the formal opening of its dining room tomorrow and Sunday. The specialty of the house during the two days will be the buffet luncheons served between twelve and three in the afternoons. In addition to service to guests at the lodge, the dining room will be open to the public by reservation throughout the season.

Add Two New Names to Fire Dep't Roster

There are two new members at the fire station these days. One is a little ball of fuzz called Spike. Spike's papa was an Irish terrier, his mother a Spaniel—

and he is a fireman. Spike succeeds Pete, the friendly little dog which used to ride the fire wagon to all fires until he was killed in a pedestrian lane. Firemen say that Spike is rapidly learning what a strident telephone means. At present, he just gets out of the way of the firemen but soon, they say, he'll be right up there waiting to get into the seat with the driver.

The other new fireman has no name as yet. But he's waddling around briskly. He's a duck

which Bill Jr., son of Fire Chief Bill Leonosio, won at the recent Indian fair.

But the new firemen are still quite young—but give 'em time and they'll be earning their keep.

C. of C. . . .

in view of the more active role its members intend to play in civic affairs in the Village.

Ben Shearer, president of the Home Owner's League emphasized Tuesday night that his organization has and will continue to support a strong chamber of commerce here.

AT THE MEETING Tuesday night when harassed and "straight-punching" President Florian Boyd asked for a showing of hands if it was the wish to accept the resignation of the 30 directors including himself, a heated discussion resulted.

In the end it was almost unanimously agreed upon for Boyd to take back to the directors the recommendation that it prune itself of at least ten dormant directors. This was done at the special meeting yesterday morning but official action cannot take place until the first Tuesday in March at a regular meeting. It seems that the by-laws and constitution of the organization prohibits such action other than at a regularly stated meeting.

MOST IMPORTANT and sweeping plan to bring more of the businessmen into the Chamber membership is the move to send membership cards to all business establishments in the Village. This card would be good for 90 days and would entitle the holders to the same rights as a paid-up member. At the end of 90 days, these business people will be asked, if they like the organization, to contribute their dues.

As for the ten new directors, members at the meeting Tuesday night emphatically declared, they wanted a hand in the election of these new directors—that is, they will be elected to the directorate from the floor and by plurality of votes.

RESULT of the meeting Tuesday which started off placidly enough and then waxed hot with the determination that come what may Palm Springs shall have a Chamber of Commerce, \$500 in dues was collected and two of the members doubled their pledged dues.

Fred Hubbell and Herman Reich both gave Boyd checks for a handsome amount to cover their memberships.

Another far reaching result of the meeting was the decision to hold a meeting of the membership every Tuesday night until the Chamber of Commerce is well out of its financial strait-jacket.

ASTONISHMENT creased the faces of all present when it was learned that only three of the cocktail lounges in the Village hold membership cards in the Chamber and that only 35 per cent of the many hotels and apartment houses in the Village are on the rolls.

The decision to send membership cards to all business license holders in the Village came about as a last and final move to add to the rolls some 600 businessmen who are not members and are profiting from business of this resort town by "riding on the financial coattails of others."

ALSO THIS CAMPAIGN to get new members will be followed by a personal call on the part of volunteers pledged to do the job at the conclusion of Tuesday night's meeting. They are Herman Reich, Andre Mieson, W. R. Wright, H. O. Tray, Phil Delano, Virginia Colville, Ben S. Shearer, John Ballard, Earl Strebe, C. R. Helter, Jerry Webber, Colin MacArthur, R. D. McKenzie, Tom Purness, Keith Herbert, Marie Belyea, Gayle Thompson, Ray Hiller, Hilton McCabe and Reed Hubbell.

Still another result of the special director's meeting yesterday is the plan to create an advisory staff of winter residents, proven successes in their particular fields of endeavor.

It was felt that such experienced men would be able to give with some sound advice to the Chamber of Commerce directors.

of the creation of the club. Said he:

"Lady friend of mine from New York who has never missed a premiere at the Stables couldn't find a parking place for her automobile, nearer than on the other side of the corral. Determined to be present, she parked and seeking a shortcut climbed over the corral fence mink coat and all.

"**SOMEHOW** she became lost and before she was able to regain her sense of direction, she was dragging one foot behind the other through the stables, her long mink coat sweeping the aisle between the horse stalls.

"Well," continued the unabashed Trav, "she came into the lounge, the edges of her expensive coat just a mess and smelling to —. Well that's really how we finally arrived at the name of the organization, 'The Mink and Manure Club. Catch on?'"

MEMBERS hail from all corners of the nation according to the register. There are two members who hail from Caracas, Venezuela, Carlos Punciles and Robert Diaz.

There are several offices yet to be filled. One being eyed by many of the members is "Chief Tail Currier."

The Desert Sun—5

Regardless of the development of new weapons, the Navy is still the first line the enemy must hurdle either in the air or on the sea in approaching our coasts across any ocean. The earliest warning of enemy air attack against our vital center would be given by naval air, surface and submarine radar pickets deployed in the vast ocean spaces which surround the continent.—Fleet Admiral Nimitz.

The safety of our essential trade routes and ocean lines of communication as well as those of our allies, the protection of areas of vital strategic importance such as the sources of raw material, advanced base locations and the like, are matters of course if we control the seas. Only naval air-sea power can ensure this.—Fleet Admiral Nimitz.

Married men are more religious than single men—they believe in a higher power.

Palm Springs And Blythe To Clash Saturday

Palm Springs high meets Blythe high in a non-league basketball game at Coachella Saturday night it was announced by Coach C. E. Ballagh yesterday.

Then a week from tonight the Indians journey to San Jacinto to meet San Jacinto high in a league game.

With three wins and three losses Palm Springs is up near the leaders and still a threat to the top squads.

Despite our protestations of disinterest in the internal policies of other countries, we are viewed with suspicion abroad.—Henry A. Wallace.

Weiss Racks Up 31 Points to Put Villagers in Front

Palm Springs high school went back into a tie for fourth place in the Riverside county basketball league Wednesday night when they defeated Sherman Indians 62 to 54 in a hot casaba contest which saw the Villagers come up from behind in the last half to overcome a Sherman lead which ranged to 12 points at times.

Eddie Weiss, Village center, went wild in the game, scoring 31 points for his team. Jones, Sherman guard, was high for the losers with 17 points.

THE BRAVES, meaning Sherman, got away to a fast start and, in the first quarter, had the Indians, meaning Palm Springs, gasping on the ropes with a 12-point lead.

The Indians (P. S. variety) held on, however, and stayed with the Indians (Sherman brand) and at half time were within five points of their opponents. Sherman led at the rest period by a count of 29 to 24.

IN THE ELAST HALF the scoring of Weiss began to tell and Palm Springs crept up, finally overtaking the Braves and passing them to go on to win 62 to 54.

Sherman Bs bopped the local Bs 32 to 28 in an exciting preliminary contest in which Dock Henson, forward, was high for the Villagers with 17 points. The score was knotted at 28-all just as the game neared the end but the visiting team dropped in two to score four points and cop.

The games were played on the Coachella floor.

THE BOX SCORE of the Varsity game:

Derby Test on Tap Tomorrow At Santa Anita

With Santa Anita having only three more weeks to run, the leading three-year-olds move into the limelight with the \$50,000 San Vicente Handicap at 1 1/16 miles tomorrow. It is the last major competition before the \$100,000 Santa Anita Derby at 1 1/8 miles is presented on closing day—March 6. In between on Feb. 28 will be the \$100,000-guaranteed Santa Anita Handicap to climax the season with outstanding stakes. There will also be the Washington Birthday holiday card next Monday, Feb. 23.

The San Vicente, like the San Antonio for the Big Cap, has always served as a tester for The Derby in furnishing a line on the colts and fillies with the ability to negotiate a distance. It is of particular high interest this year in the number of early Derby developments that may go on to win fame and fortune in the other great three-year-old classics coming up later in the season.

Name Ellerbrook Swimming Pro At New Biltmore

Coach to many aqua-minded motion picture stars, Frank Ellerbrook has been appointed swimming instructor at the Palm Springs Biltmore hotel. He has taken up his duties at the beautiful plunge of that new resort.

Ellerbrook formerly served as

swim instructor at the Copa Club plunge of the Beverly-Wilshire hotel in Los Angeles. Among the screen celebrities he knew there and whom he greeted this week in Palm Springs are Joan Davis and Charles Winninger. They are among the film celebrities who have "discovered" the attractive Palm Springs Biltmore.

Among the little surprises that make up the Biltmore's policy of "extra services" is the Biltmore's announcement of radios for guest rooms without charge. A large quantity of latest model tone-control radios has been purchased to make this service possible at the Palm Springs Biltmore.

When storing appliance cords, do not kink or bend them sharply. Detachable extension cords should be wound loosely around two round hooks or pegs. Never wrap cords around hot appliances.

Top Golfing Stars Of Nation Enter 13th Invitational

Although the event is still more than three weeks away, interest in the 13th annual Palm Springs Invitational golf tournament in March is high in coast golf circles and the entries have come in so rapidly that the limit was reached this week.

George Howard, pro at the course and one of the committee which runs the event, announced this week that 90 entries had been returned from eligible players and that no more could be accepted. The nine-hole course will accommodate only that many golfers.

The Desert Sun—7

TOURNAMENT plans call for higher handicappers to play Tuesday and Wednesday, March 16-17, seniors to compete Thursday and the open amateur class on the week-end, March 19, 20 and 21. The defending champion is Ray Sleppey while Hy Walton holds the seniors crown.

The field will comprise one of the strongest amateur medal play tournaments of the entire year in this state, with Marvin (Bud) Ward, the two-time former National Amateur champ, and Harry Givan representing the Northwest; Ed Lowery from San Francisco; Eli and Jack Bariteau from San Jose; Buddy Lehman of New York; and such local stars as Johnny Dawson, Roger Kelly, Bruce McCormick, Willie Barber, Ralph Evans and a number of others.

THIS YEAR the men's tournament on the Village course precedes by one week the Palm Springs women's invitation championship, to be held March 29, 30 and 31. A mixed foursomes on Sunday, the 28th, starts things rolling.

Last year little Marlene Bauer, the Long Beach mite, surprised a strong field by taking the title. She and her sister Alice will compete in this 13th renewal of the tournament.

A shallow bowl of household ammonia may be put in the oven of a range to soften any grease that has baked on. A badly soiled oven may need this treatment for several successive nights. The softened grease should be wiped off with a damp cloth.

One of the important purposes of the Navy in time of war is to control the waterways for our own use and to deny them to the enemy. So long as there is traffic on the seas, we will need a Navy and it must be the best in the world. (Secretary of the Navy, John L. Sullivan.)

composition, I wondered what there was to write about . . . Hadn't a gripe in the world until someone called in about a piece in a San Diego paper where one of the boys took his spite out on Palm Springs because he got nipped here . . . Well, that's off my chest . . . You shouldn't blame the whole movie crowd for what a few backsliders do, nor the ministerial set for an occasional and rare black sheep . . . And the run-of-the-mill newspaper boys are good guys and you can't damn them all because of a few who go too far when they become muck-rakers . . . The "rakers" is superfluous.

HATE TO TELL this to Jay Rollman or Chuck McGann but I believe I'm going to quit the trains and become sea going . . . Spelled with capitals, that's Sea Going and a very nice member of the equine family he is . . . He belongs to an old friend of mine, one of the most efficient and prosperous citrus men I know . . . I've known him, the man, not the horse, for many, many years . . . In fact, I knew him when he didn't have a pot into which to pour smudge oil . . . Sea Going set a record at Santa Anita Tuesday . . . Not in speed but in returns per \$2 invested . . . quite a few cashed in and being of a curious mind, I asked a few why they had bet an 80 to 1 shot which had been pooh-poohed by every "smart" handicapper . . . One girl said she bet Sea Going because she had such a nice sea voyage last fall . . . A colored boy said: "Them odds! I can't resist 80 to 1." . . . A smiling and happy woman said: "My daughter is just eight today and I've bet every No. 8 so far . . . She clicked because No. 8 won three times . . . Who, Me? . . . Well, the horse, belonging to an old friend of mine, winked at me before the race.

IF YOU WERE overlooked in the recent Chest drive you can still make amends by joining Trav Rogers' and Bill Gargan's Mink and Manure club, membership dues of which go to the Chest . . . Mink and Manure, that's an alliterative name . . . I can think of one that rhymes. Mink and . . . Leaving you with that thought, I'll be back Friday with some fresh fish.

Navy research and invention was focused heavily on increased power in the air during 1947. New planes added to the Navy's air arm include the Phantom, the Skystrak, Pirate, Banshee, Panther and Skyrocket. Navy pilots set and reestablished two world speed records. A carrier-based jet fighter squadron was formed. The Navy's progress in the air included also guided missile study, advances in radar, new parachutes for high-speed bail-outs, new self-sealing gas tanks, and higher octane fuel.

Proof of the Navy's effective immunization program against tetanus is seen in the fact that not one combat casualty developed that affliction. And of some five million Naval personnel, only four cases developed resulting from accidental injuries. Of the two tetanus deaths from these injuries, one man had a record of no immunization and the other's was incomplete.

Kramer and Riggs Given Awards for Top 1947 Honors

Jack Kramer, tennis ace who will appear here March 7 at the Tennis club with Bobby Riggs, Dinny Pails and Pancho Segura in championship tennis matches, this week was given the Helms Athletic Foundation - Sportsfolio Magazine award in recognition of 1947 Amateur Athletic of the Year honors.

Riggs was given the Helms Foundation award as the world's foremost professional tennis player of 1947.

THE TWO STARS met in matches in Los Angeles the fore part of the week with Kramer coming back Tuesday night to defeat Riggs 6-0, 7-5 to run the score in their series of pro matches across the nation to 16-

14. They play in San Francisco this week-end.
Pails defeated Segura 9-7 and then Kramer and Pails defeated Riggs and Segura 6-3, 6-2 in doubles.

AT THE TENNIS CLUB March 7 Kramer and Riggs will renew their singles duel and Pails and Segura will meet in singles. Pails and Kramer will then take on Riggs and Segura.

Ticket sales for the local matches are in the hands of the Junior Chamber of Commerce and, according to Don Artz, president, moving rapidly. They can be obtained at the Tennis club and at the Pago Pago.

Secretary of the Navy John L. Sullivan recently said that control of the seas, or at least the guarantee of freedom of the seas, is almost as important in time of peace as in time of war.

As of September first, the U. S. Navy had 226,000 men afloat and 49,000 ashore. As of November first, the U. S. Marine Corps had 2,400 afloat and 19,000 ashore.

FOLLOWING the frost survey, Mrs. Alschuler gave an interesting report on raising of vegetables, illustrating the talk with a fine vegetable garden. The members also were interested in composting methods she demonstrated.

Refreshments were served by the hostess at the close of the meeting.

During the war, 7,234 combat types and 1,000 non-combat types of Naval ships were used, a total of 8,234. These do not include 60,000 small boats, minor landing and district craft. Those ships steamed a total of 420,000,000 miles.

Desert Hot Springs to Celebrate

'49-ers To Rally Saturday

Two-Day Event Gets Under Way Tomorrow With Fine Program

Tomorrow the third annual '49ers Days celebration gets underway in Desert Hot Springs in a setting reminiscent of early Western days.

By the time the event is concluded on Sunday night, those attending will have witnessed a 32-boy minstrel show, swimming events, midway attractions, a continuous Kangaroo court, shooting exhibitions, and have partaken of John Kiel's famous barbecued meat.

On Sunday the program is highlighted by the appearance of Admiral Vance DeLany, Pacific Fleet commander and guest speaker. The Loyola University band will participate in the parade and later give a concert. Little Bear, who has led every parade for years in Palm Springs, will be in the parade.

See '49ers RALLY, Page 16

MODERN LIVING—Above is one of the many designs available for home seekers in Tahquitz River Estates. It is designed for desert living, either seasonal or permanent. Progress at the home development project on South Palm Canyon drive is rapid these days.

Authoress Will Speak Saturday

Rita Kassin, authoress of children's books will speak Saturday at 10:30 a.m. during the children's story hour at Welwood Murray Library on her new book, "Raffy Uses His Head."

Phoenix Flame: Atomic age—when two can live as deep as one.

Tahquitz River Estates Development is Rapid

Tahquitz River Estates, in the 800 block on South Palm Canyon drive, one of the most comprehensive building developments here in years, is the center of interest for home-seekers this week as the great project moves along to completion.

Two model homes completely furnished by leading southern California stores, have been thrown open and progress on the other homes is rapid. Many have already been spoken for.

ENTRANCE to Tahquitz River Estate is at 850 South Palm Canyon.

Eight models on 18 elevations are being offered. They are the work of Allen G. Siple, noted

architect, and are designed for year around comfort, for permanent as well as seasonal living. Two and three bedroom homes in many styles are available.

Situated at the entrance of picturesque Tahquitz canyon, the building program was preceded by an elaborate flood control project.

TAHQUITZ RIVER ESTATES is a Paul W. Truesdale project and construction is by Paul W. Truesdale and associates. The development features unique type desert homes with wall-o-glass living rooms and dining rooms, secluded patios and other items for comfortable desert living.

Swimming pools for those who desire them are optional and may be added at low cost.

Construction is now in progress on the first unit of 72 homes.

IN DESIGNING the Tahquitz River channel and removing traces of a flood of half century ago, engineers went far back into Indian lore to trace the history of the canyon and its vagaries.

This done, a channel was designed by A. H. Benedict, consulting engineer from Los Angeles in close cooperation with the Riverside County Flood Control Engineers, and when excavation was completed by the Truesdale Company, a contract was given to C. R. Sawley and Nathan A. Moore. Their job was that of paving the rebutments, quite a task when the size of the new Tahquitz River Channel is known. It measures 5000 feet in length and 7½ feet deep with durable asphalt rebutments the entire length.

THE JOB was recently completed at a cost to the Palm Springs Tahquitz company of many thousands of dollars.

General superintendent and coordinator of the entire project on behalf of Palm Springs Tahquitz Company, was Phil Oppenheimer. Max Bookman, chief engineer, representing Riverside County Flood Control District, after his final inspection of the new channel, recommended to the Riverside County zone commission, that they take it over for future maintenance, since it has greatly benefited the county in the support of flood control.

Holiday Monday

Schools, the post office, county offices, city hall and the bank will be on holiday schedule next Monday.

Sunday is Washington's birthday and the holiday will be observed by all who generally observe national holidays, on Monday, Feb. 23.

Supervisors Act To Guard Growth

Easley Entrusted With Spreading Warnings

Raids of tourists and others on desert shrubbery and plants were called to the attention of the county board of supervisors Monday and action requested to guard desert flowers and trees.

In the past few weeks residents of the desert area around Palm Springs and Cathedral City have complained that tourists and employees of Los Angeles florists have been tearing out shrubs and even uprooting whole Smoke Trees for home or yard decorations and for sale in florist shops.

Both Chief of Police A. G. Kettmann and Museum Director Lloyd Mason Smith have called attention to the state law providing heavy penalties for the practice and Chief Kettmann recently warned two commercial pickers. When the matter was brought to the attention of county supervisors Monday, it was referred to Supervisor Easley in whose district the desert lies.

He will seek some solution to the problem of how to warn tourists that desert growth is protected by law.

All's Well

Purse and \$9225 Recovered by Woman

Mrs. A. J. Muir, visitor here from Portland was a mighty happy person about 10:30 o'clock yesterday morning.

When she first walked into the police station at 9:54 a.m. she was mighty sad in reporting that missing from her pocket book was \$9,000 in a highly negotiable cashier's check and \$200 in traveler's checks. Also missing was approximately \$25 in cash.

While she was completing the report the bookkeeper at Don Manchester's Bombay telephoned to say that John Perkins, Negro porter had found a purse containing just the amount Mrs. Muir was then reporting as lost.

University

Riverside Chosen as Site for Institution

Riverside will become the site of a four-year university if recommendations of the state legislature's committee surveying needs for higher educational institutions, is adopted. The university, a branch of the University of California, would serve San Bernardino and Riverside counties.

Ten Days Remain to Register

According to Mrs. Louise McCann, city clerk and deputy county registrar, Villagers are lax in making sure they will be eligible to vote in the important elections this year.

Registrations for the April 13 city election closes on March 4, a week from next Thursday.

All who have moved since they last voted, have changed their names, those who failed to vote in either of the 1946 general elections or those just arrived at voting age, must register before March 4 for the city election.

Voters living in districts 2 and 4 will not vote at the city election but should re-check their registration to determine their eligibility for the primaries in June and the general election in November.

Urge State Park For Salton Sea

Commission To Be Given County Appeal Today

A state park for the Salton Sea area, about 50 miles east of Palm Springs, became a possibility this week when county supervisors in session Monday adopted a resolution recommending that the state of California acquire title to 220 acres of land adjoining the below-sea-level sea.

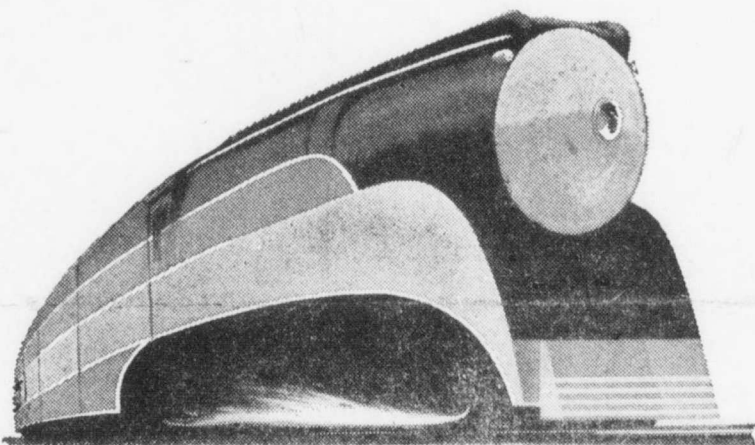

The state park would become a memorial to General George Patton who spent much time in the desert area during the early stages of World War II training troops for desert warfare.

Clyde Howell of Coachella who appeared before the county board to plead for the state park, said the people of the desert area wanted to create the recreation park in the Salton Sea area in honor of the late war leader.

The proposed park extends along the shores of Salton Sea southeast of Mecca and includes a mile-long strip of sandy beach. The project was placed before the state park commission at its meeting in San Diego today.

Our Fifth Season in Palm Springs

Hurry-Upper for a Lenten Supper

made with Golden State Cottage Cheese

Cottage Cheese Shrimp Casserole

Hot and hearty meatless main dish! Enough for six!

2 cups Golden State Cottage Cheese
2 cups cooked rice, not quite tender
2 cups shrimp, canned or freshly cooked
1 10-ounce can mushroom soup
Salt Dash of Tabasco

Press 1 cup creamy-smooth Golden State Cottage Cheese through sieve. Combine with other ingredients. Turn into greased casserole. Top with remaining 1 cup cottage cheese. Sprinkle with paprika. Decorate with sliced stuffed olives and a few shrimp, if desired. Bake in moderate oven (350° F.) about 30 minutes, or until top is brown.

HUSBAND PLEASIN'...... that's Golden State Cottage Cheese. Famous for its smooth-ooth texture and creamy delicate flavor!

Check this, too! Pound for pound, Golden State Cottage Cheese contains the same amount of protein as a pound of beef steak, and only costs about a third as much! Use it in chowders, salads, meatless loaves! A real food bargain!

Village Quota in Annual Red Cross Campaign, \$11,881

Palm Springs branch of the Riverside county chapter of the American Red Cross was allotted a quota of \$11,881 in the annual fund campaign scheduled to start March 2. A. G. Kettmann, police chief and chairman of the local drive, was informed Friday by C. Thomas Wheeler, chairman for the county chapter.

The Village quota is 13.5 per cent of the county total, the second largest. The quota assigned Riverside, the county seat, is 45.5 per cent of the \$88,006 county total.

CHIEF KETTMANN and his committeemen met yesterday to discuss plans for the campaign here. The national campaign opens March 2 and the local and county drives will start at the same time.

Of the Riverside county contributions, \$19,800 will go for national purposes and \$68,206 will remain for local work. Wheeler said. The Red Cross has embarked on a national blood campaign which will eventually provide blood and its derivatives to anyone in need without charge.

THE NEED is great, Chief Kettmann said. During 1947, the costliest year in Red Cross disaster operations since 1937, the national funds were greatly depleted.

The chapter's total budget for the year is \$105,000 but unused reserves in the county fund pare the amount to be raised to \$88,006.

Plans for the local campaign were furthered at yesterday's meeting of Chief Kettmann and his committee members.

Eating's a Little Cheaper

Some Food Prices Down, Others Steady
And a Few Go to Higher Levels in Week

Downward trend of commodity prices throughout the nation was reflected in local markets during the week but has not caught Village operators napping, a survey yesterday indicated.

Alerted by stories and advertisements of Los Angeles markets, Village food purveyors have been buying with caution, keeping a watchful eye on the wholesale market and the national trend.

ALL REPORTED that the price of butter had been marked down and that other foodstuffs were lower than a week ago. Some staples were from 5 to 8 per cent down.

Meats and fresh vegetables were steady to higher, it was reported.

THREE OF THE GROCERS contacted said that purchases from wholesale distributors have been on almost a day-to-day basis, operators refusing to load their storage and reserve shelves because of the fickle price fluctuations.

On the other hand, reports Sunday indicated the big break in market prices in Chicago was at an end and that farm products were leveling off after the sharp tumble of last week.

The cost of doing nothing would mean living in an armed camp, in a society isolated and relatively alone, and with the necessity for a variety of controls.—Lewis Douglas, American ambassador to Great Britain, on the Marshall Plan.

Desert Hot Springs Happenings

The Third Annual '49ers Days celebration will be held in Desert Hot Springs Feb. 21-22. The two event-packed days include: Saturday: A 32-boy minstrel show from Riverside school district, swimming events, midway attractions, the hilarious '49er Kangaroo Court, shooting exhibition, whistlerino, and John Kiel's Famous 2-day Barbecue.

SUNDAY'S program is highlighted by the appearance of Admiral Vance DeLany, Pacific Fleet commander and a guest speaker. The Loyola University band will lead the parade, and give their concert preceding the afternoon program which includes Indian entertainment, Butch Jones, Republic child star; Teddy Ginn, the Oklahoma boy wonder; James McGarrille, famous baritone, and many others.

Col. Ted Davis, the full-blooded Indian whose fight for Indian rights has become national news, will be Master of Ceremonies.

Weber's BREAD-TIME STORIES

KITCHEN TRICK

WASHINGTON PIE—spread raspberry jam between layers of a plain cake. Make a lacy powdered sugar topping by using a paper doily for a pattern before sprinkling the sugar.

HOUSEHOLD HINT

DON'T IRON the curtains—hang them on the rods while still damp, run another rod through the bottom hem to keep them taut and straight.

RECIPE

LITTLE MEAT PIES

2 c. raw chopped veal or beef
3 Tbsp. chopped onion
1 chopped tomato
1 Tbsp. minced parsley
Rich pastry
2 chopped hard-cooked eggs

Saute chopped meat, onion, tomato and parsley until onion is slightly brown. Add flour, bouillon; stir, let mixture boil. Add eggs. Line small muffin pans with pastry, fill with mixture. Brush edge of pastry with water, fit on pastry top, press edges together. Bake 15 minutes in hot oven (425°).

Membership Rules For Teen Target Will be Stricter

The Teen Target has been visited by the California Youth Authority. Their aim was to let the adult council and the youths' own executive council know what they believed could be accomplished around the Youth Center, and how a closer harmony between the adults and youths could be reached.

The Youth Authority, represented by Mr. Reid, Mr. Stark, Mr. Schaffer and Mr. Butterfield of the Riverside juvenile bureau, suggested that the adult advisory board could offer a better program and bolster membership if they would have a member of the Teen Target at each of their meetings concerning the Youth Center in any way. The board immediately adopted this suggestion. The Teen Target will also initiate a new program headed by a policy of admission by membership card only, the plan being to exclude trouble makers and unwanted outsiders, by way of inspecting all applications and making it a privilege to belong and not an obligation.

P. S. H. S. Plays Large Part in Fair at Indio

The Palm Springs High School band and Mr. and Mrs. Alexander Hammond took part in various activities of the Riverside County Fair from February 11-15 at Indio.

Thursday the uniformed band, majorettes, and pom-pom girls appeared in the Lincoln's Day parade over a three-mile course. The group represented the school on a non-competitive basis.

Nightly, Mr. and Mrs. Hammond appeared in the Arabian Nights Pageants, singing selections from Sigmund Romberg's "Desert Song". The best known numbers were the "Riff Song", "One Alone", and the "Desert Song". Mr. Hammond portrayed the "Red Shadow" in appropriate costume. Mrs. Hammond was costumed as a harem girl.

In Detroit, dogs may bite a postman only once, says the American Magazine. If it happens again, no more mail service to the residence of the animal's owner.

Six Students To Seek Honors in Lions Contest

Six students have prepared speeches for the Lions Club oration competition. All talks are entirely different, but the topic, "Do the Frontiers of Opportunity Still Exist for the American Youth?" is the same. The speeches will be given at a high school assembly sometime next week, probably Wednesday.

At the assembly the three best will be picked by three older judges and the student body. Those presenting speeches are Richard Day, Craig Hammond, Tom Luke, Mabel Potter, Marshall Thompson, and Ann Wells. The winners of this contest will be judged, by the Lions, at a dinner, March 4; and the best one picked. This winner will represent us at the Riverside County contest.

Betty Wright in Legion Oratory Event

Betty Wright will represent Palm Springs High School in the American Legion oration contest of Riverside county, at Elsinore, March 7, unless someone else writes on the topic, "The Rights and Privileges of An American Citizen". Betty is the only contestant to date.

SCHOOL SPIRIT

Most schools enjoy a reasonable amount of loyalty and spirit but unfortunately, we here at P.S.H.S. do not seem to be imbued with an excessive amount of it. People out here don't seem to realize that a team needs support in order to play well. Although there is usually a good turnout for our games, our voices do not tend to sing out the cheers with much vigor. Instead we sit and yap about what Mary did to Johnny, and how the "new look" looks on Lena the Hyena. Of course all students aren't flabby personalities. In fact, 75 per cent of the students attending the game cooperate to the best of their abilities. But in order to get the right spirit you need 100 per cent cooperation.

Ask yourself these questions—answer them truthfully:

1. Do you do your best to learn the yells?
2. Are you a good sport? Can you take a loss honestly?—Tony Jupe.

Although the yak's shoulders often measure more than six feet from the ground, its head almost touches the dirt.

Letterman's Club Banquet Scheduled For February 27

If you saw a bunch of funny looking girls around school last Monday, you should have looked twice, for a few of the new Lettermen were being initiated into the Lettermen's club. The annual Letterman's club banquet this year promises to be as much fun as the initiation, with such noted speakers as Jeff Cravath, head coach at U.S.C. in football. Coach Cravath hopes to bring with him a few of the fine athletes that led the Trojans to the Pacific Coast Conference football CHAMPIONSHIP and a trip to the Rose Bowl.

Of course this banquet is limited to lettermen and lettermen only. But due to the fact this is such a special occasion, some businessmen from Palm Springs will be admitted for the dinner and entertainment, for the price of \$1.50. If anyone would like to attend, he may call the high school or get in touch with Mort Gilbert.

COOLERS, A LUXURY OR A NECESSITY?

All through the years in the history of Palm Springs High School many improvements have been made. We now have a fine dirt track, lights for the football field, a new school building, a new bus and there is now being constructed a gym and a swimming pool costing quite a few hundred thousand dollars.

The school board has appropriated vast sums of money for these improvements. But every year a plea is made for coolers in the school buildings and every year the answer is the same—NO!

The board of trustees says we must put off the installation until an indefinite date, but I defy you to find an office in Palm Springs that doesn't have a cooler! The facts are cold but true.

The acute need for coolers shows up at the time of final examinations, which make up one-third of the final semester grade. Without the coolers, exhaustion sets in, and that is the worst hazard encountered in a test. A person can really become dehydrated during a final, when drinking fountains are far away and few between! (If you can ever get out of the room.)

It is true that there is a cooler in the high school, in the main office. In the spring and fall, a person sent to the office considers it a pleasure.

There would be added expense in the installation of these coolers, but in the long run they would pay for themselves in the improvement of grades and health of the students.—Daniel Larson.

WHAT OUR 1,000,000TH METER MEANS TO YOUR FAMILY BUDGET!

It's one of the reasons why
Gas costs you less today
than in 1939!

If you will compare your
present costs of living with
what you paid in 1939, you'll
find that everything has
gone up about two-thirds.
Almost everything, that is, except gas! Happily, the price
of gas has stayed down...
even lower than in 1939.

One reason is that we've
added so many new custom-
ers. In fact, we have just
connected our 1,000,000th
gas meter. These new custom-
ers have helped when
they happened to live where
they could be served by exist-
ing facilities.

Additional revenue from
the sale of gas to more and
more customers has contrib-
uted its part to offset stead-
ily rising expenses. But keep-
ing on the right side of the
ledger has been no easy ac-
complishment.

As costs have gone up and
major projects were needed,
even new customers haven't
always made it easier.

Many thousands of new
home owners, for example,
have located where gas-main
extensions were required to
serve them. Taking care of
them has actually added to
our operating expenses. (Ex-
tensions today cost us 2½ to
3 times more than in 1939.)

Again, in order to provide
an additional supply of gas
for this enormously growing
area, we participated in one
of the largest natural gas
projects on record. The mammoth \$70,000,000 Tex-
as-California pipeline was
constructed from the nearest
practical source, some 1200
miles away, and is now in
operation. Materials and
labor, too, are at an all time
high... and taxes, payrolls
and even the cost of gas in
the field have climbed
steadily.

Dependable, low-cost serv-
ice is just one of the reasons
why virtually everyone in
Southern California uses gas.
You too can afford to use
natural gas for all four uses
in your home—for cooking,
water heating, house heating
and refrigeration.

*Cost of living index, according to U. S.
Labor Statistics, is now 161.3.

Washington To Be Subject of Radio Broadcast

To celebrate George Wash-
ington's birthday, the radio class
will present their regular pro-
gram, next Tuesday, February
24, over KCMJ, at 1:45 p.m., un-
der the direction of John
Schwendiman, speech and radio
teacher.

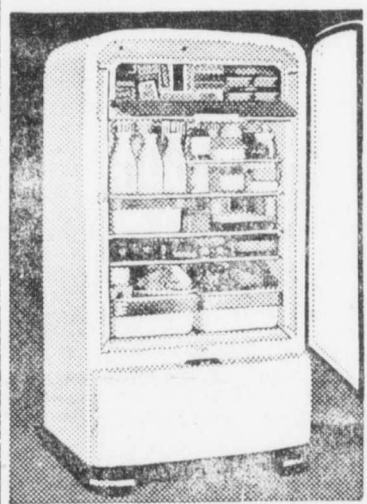

Beverly Brown will act as the
announcer for the broadcast.
Steven Vincent and Rose Mary
Benet's poem "George Washing-

ler.

The high school band may play
two or three marches under the
direction of Gustave Patzner,
band and orchestra teacher. A
boy from the radio class will
probably read one of Washing-
ton's famous speeches.

On the War Path

By MORT GILBERT

One week ago we suffered one
of the toughest defeats a team
can suffer in being beaten by
Hemet by the slimmest of mar-
gins. The Bulldogs won by three
points, but scored the last basket
after the whistle, 34 to 31 is what
I call close. Eddie Weiss played
a great ball game and had he not
been fouled out early in the third
quarter there is no doubt that the
Indians would have won.

Last Wednesday the Indians
journeyed to Coachella, where
they took on Sherman, and
though this was sent in before
the game I am confident that the
Indians made a good showing.
Sherman was picked to win the
championship earlier in the year,
but go knocked off by Coachella,
and Banning. No doubt Eddie
Weiss was high point man, and
I bet he makes all-league. If Ed-
die doesn't there is no justice in
this league.

Tomorrow night, Saturday, we
play Blythe at Coachella, and the
boys from the border will be
tough; they beat Coachella and
now are out to avenge their foot-
ball loss by beating us at basket-
ball.

It may have been tough not to
see the Sherman game, but there
is no excuse for not backing the
locals in this game with Blythe.
When we played Torrance in L.A.
the students practically filled
the gym for that game.

By the way—the Frosh knock-
ed over the Sophomores the
other day in volleyball, how
about that, Stivers and Weiss? Of
course everyone knows who's
running away with the vol-
leyball tournament—the Seniors, of
course.

Tennis is the new word around
school as the local racketeers
(that's no joke, son) start bat-
ting the balls around. Mr. Weeks
has hopes of coming up with another
championship team, for as most
of you know Palm Springs are
defending league champs. We
have lost most of the old team
due to the fact that so many
were Seniors, and all positions
are open, but the competition will
be keen.

Did you know that special
prices will be quoted the high
school kids to see Kramer and
Riggs play, only \$1.50 a paste-
board, and believe-me-you'll get
your money's worth.

Magicians To Put on Show at Assembly

The Wears, one of America's
outstanding magician teams are
coming to the Palm Springs
High School on Tuesday Febru-
ary 24, at 10:20 a.m. For their
feature attraction, the Wears will
present a great escape mystery.
They will present a magic pro-
gram of many new and different
mysteries. They are presented by
the National Assemblies.

The length of a day increases
about a thousandth of a second
every century.

Palm Springs on Short End of Fast Basketball Game

The Palm Springs Indians
dropped to fifth place in the Riv-
erside County League when the
Hemet Bulldogs came from be-
hind to win a victory over the
Indians by a score of 34 to 31,
last Friday night at Hemet.

Hemet remained in second
place in the league, with the vic-
tory. Cowser, star center for the
Bulldogs, scored the deciding
basket for Hemet in the few re-
maining seconds of the game.
Cowser, a promising R. C. L. con-
tender was good for 13 points
and Smith scored 10 points.

Eddie Weiss remained with the
top scorers with 17, although he
fouled out in the middle of the
third quarter. Lopez, who played
the team, was good for 5 points.
Gilbert and Blackhart each had
four points and Doro scored one
point. P.S. The "B's" were beat-
en 53 to 28 by the Hemet light-
weights.

Johnny Black was good for 10
points. Todd, tall "B" center for
the Bulldogs, scored an amazing
24 points.

Leap Year Motif To Feature Coronation Ball on February 28

Music for the Coronation Ball February 28 will be furnished by Al Parson's orchestra, already familiar to Palm Springs dancers, it was announced this week by the Palm Springs Business Women's Club and the Junior Chamber of Commerce. The ball is a charity event open to the public, scheduled for the World Wars Memorial building Saturday, February 28.

A leap-year motif will feature the dance, with everyone furnished a black mask, to be removed at midnight for the Leap Year Dance, a special concoction dreamed up by the program committee.

There will also be a Grand March, and carnival games for extra entertainment.

The feature event will be the crowning of Desert Circus Queen Marilyn McKay. Several former Circus Queens are invited to be present, including Jimmie Rogers, Janice Bogert, Ruth Valeur, and Babs Delano. There will also be a Queen's Court.

Tickets are now on sale at the Village's leading hotels, and all drug stores, at \$2.40 apiece, or \$4.80 per couple, including tax.

All proceeds, according to Committee Chairman Ted McKinney, Tess Meyer, and Dr. Robert Backstrom, go to benefit organized Youth Activities in Palm Springs.

The dance will be held from nine till one o'clock.

Butter is sold in rolls that measure a yard long and weigh a pound by market women in Cambridge, England.

Editor, The Sun: This is just a word of appreciation to you for the very fine assistance you have given to our Crippled Children's Hospital Fund, through the advertising of the recent Bob Hope Show, sponsored by our Palm Springs committee.

Our committee is indeed grateful to you for your cooperation in making possible the success of this event and which resulted in a substantial contribution to this most worthy cause.

ON PUBLIC FORUMS

Editor, Desert Sun: I have long wondered why the local lecture series was called a Public Forum, it being my impression that the so-called Forum Meetings fall far short of their title. While I have refrained from criticism, I have felt that the rules of conduct for these meetings impose unnecessary restrictions on freedom of expression for everyone except the guest-lecturer.

As Dr. Oertel has very recently thought fit to emphasize, a public forum, in the modern meaning, is supposed to provide occasion and opportunity for free discussion by those present; a thing which is obviously impossible under an arbitrary rule that anyone speaking from the floor must do so in the interrogative mood. Whatever its purpose, the effect of such a rule is to muzzle all members of the audience and bar them from effective participation or expression of ideas. The inevitable result is a school-room atmosphere, with the public cast in the role of stooges or passive receptacles. Of course that is the usual role accepted by the people who compose "the public" under any and all circumstances, but I happen to be a bit of a non-conformist who believes that the public is entitled to a break.

In skilled and experienced hands, the Socratic method of bringing out a point by persistent interrogation can be used with effect; but it consumes much time and requires many shrewdly phrased questions. Even Socrates would be completely frustrated if limited to ONE query, as he would be on our local "Free Public Forum".

I fail to discern what there is to fear, from the academic or any other viewpoint, as a result of liberalizing the rules so as to enable a member of the audience to speak in the affirmative, negative or subjunctive, at his option. In fact, at a forum meeting, he should be encouraged rather than discouraged to express whatever ideas he may wish to impart. If anyone feels an urge to rise above the role of receptacle, why grudge him the necessary latitude? In my opinion, the institution of this small reform would impart a new interest and a needed vitality to the meetings. But that is not the only reason for liberalization.

Last season a masterpiece of propaganda (apparently Soviet-inspired) was delivered from the Forum platform by a foreign-born speaker of questionable antecedents. His entire lecture was a shrewdly built-up argument to the effect that, in the interests of peace, the U. S. MUST hand over the vital atomic "secrets" to the Russian government. Along with the argument went a warning, a threat and an ultimatum—OR ELSE!

To me, it was an obvious and flagrant attempt to frighten all listeners into a state of imbecile panic, with the hope and the aim of thereby influencing U. S. foreign policy on a very vital question. The oration had all the earmarks of a package of Communist propaganda prepared and wrapped up in Moscow for delivery in America via such channels as might be found available. When a lecturer, booked under Public Educational auspices, is free to use a "Public Forum" for dissemination of such a message, the audience should not be reduced by rule to a status of complete subservience.

There must have been some auditors who took mental exception to that message and who would have expressed themselves but for the arbitrary restrictions that I have mentioned. Possibly, too, they were temporarily stunned by the colossal effrontery of the speaker. I hate to think of him going on his propagandist way in the belief that the local audience consisted entirely of dopes. As for myself, I still regret that I did not rise in a spirit of "To hell with your rules" and say something pertinent or impertinent. But I simply could not produce an adequately devastating Socratic interrogation out of the hat on the spur of the moment. Neither, it appeared, could anyone else. And so the entire audience appeared to swallow the dose like so many meek school children.

Democracy, such as it is, owes its existence to the dissenters. I am surely not the only local dissenter who would like to see this Village have a Public Forum in fact as well as in name. Or am I?

RENT CONTROL

Editor, The Sun: In connection with the rent control discussion, this letter which recently appeared in a Los Angeles newspaper, is interesting:

"Advocates of rent control claim that a tenant cannot pay more rent, but he does pay double for food, clothes and furnishings. If he builds or buys he pays double for materials and labor. His pay check is two or three times

as great, just why can't he pay higher rent?"

"Federal administrators of control know nothing of local conditions except the amount of taxes they hope to collect. Those people who have helped build the community or watched it building know what is right and proper locally and can ascertain all pertinent facts by using their eyes and ears."

"Let all Federal rent controls cease at the end of February as promised and turn the whole mess back to the municipalities and you

can bet your bottom dollar that they can and will do a better job!"—A. T.

AMERICANS GET MORE OUT OF THEIR TELEPHONES THAN ANY OTHER PEOPLE ON EARTH

AMERICANS are restless, inquisitive, industrious, ambitious, ingenious, enterprising, sociable - and the telephone is adapted to the American temperament and to American needs.

Today telephone requirements in this country are at the highest peak in history and still increasing. Just as fast as applications for service are filled, new ones are filed. Even though we installed some 12,000 new telephones during 1947 we had more unfilled applications for service at the end of the year than we had at the beginning . . . and they keep on pouring in.

Our aim is to catch up with demand as quickly as possible and provide service to all just as fast as conditions permit.

CONSTRUCTION DOLLARS...

In 1947 we spent over a million dollars for additions to our plant to meet the public demand for more and better service. In 1948 we will spend another million.

This money does not come from telephone bills but from investors who require a fair return. This means that telephone rates must be sufficient to provide earnings that will attract these new construction dollars.

Red Cross Quota for Village Set at \$12,000

Committees Map Plans For Active Campaign

Plans for the annual Red Cross campaign in Palm Springs are rapidly being whipped into shape by Chief of Police A. G. Kettmann and his committeemen and an innovation in the drive will be a mounted band of solicitors.

Riders Hear About Plans for Tramway

Thirty-five or more members of the Desert Riders Wednesday morning heard Harry Harper, secretary of the Palm Springs Chamber of Commerce talk about the proposed San Jacinto Winter Park Tramway.

The lecture was given in Chino Canyon, termination of a ride which started at 7 a.m. from the various stables in the Village and start of the proposed Tramway. Breakfast was served at the rendezvous followed by Harper's talk.

This was the first time the riding association has ridden to Chino Canyon since before the outbreak of World War II.

Modern version: Never judge a magazine by its cover girl.

Palm Springs branch of the Riverside county chapter of the American Red Cross was allotted a quota of \$12,000 in the annual fund campaign scheduled to start March 1. Chairman Kettmann has been informed by C. Thomas Wheeler, chairman for the county chapter.

The Village quota is 13.5 per cent of the county total, the second largest. The quota assigned Riverside, the county seat, is 45.5 per cent of the \$88,006 county total.

CHIEF KETTMANN and his committeemen met Monday to discuss plans for the campaign here. The national campaign opens March 1 and the local and county drives will start at the same time.

Of the Riverside county contributions, \$19,800 will go for national purposes and \$68,206 will remain for local work. Wheeler said. The Red Cross has embarked on a national blood campaign which will eventually provide blood and its derivatives to anyone in need without charge.

THE NEED is great, Chief Kettmann said. During 1947, the costliest year in Red Cross disaster operations since 1937, the national funds were greatly depleted. Chief Kettmann said that 77.5 per cent of the moneys collected will remain for local work and 22.5 per cent will be sent to the national fund.

Stag Dinner Event Enjoyed by Vets

Italian Dinner and Entertainment Featured

First all-stag dinner party to be held at the Wars Memorial building for members of the Owen Coffman post took place Tuesday night with a turnout of approximately 100 persons.

An all-Italian dinner was served, followed by entertainment which featured Joe Frisco and his famous race-track act, and was immensely enjoyed by those present.

Out of town guests present included Joe Plank, Carl Peterson, P. C. Miles, and P. L. Wallace, past chef-de-gares of Voiture 394 of the 40 and 8, Riverside. Also present was the present Chef de Gare Frank Witbeck.

Following the dinner and entertainment bingo tables were set up while others engaged in other pastimes.

Contributions amounting to \$50 was collected for Mrs. Helen Simpson whose husband, a member of the Owen Coffman Post, died of a fatal heart attack at the Coachella Hospital February 12.

Sen. Maypole

Chicagoan Transferred To Glendale Hospital

Winter resident George Maypole, former Illinois senator, was transferred Tuesday to the Glendale General Hospital to undergo specialized treatment by a neurologist. The trip was made by ambulance.

Maypole was stricken seriously ill last Wednesday and rushed to the Palm Springs Community Hospital. In two days the attending physician reported that his condition had improved and was followed yesterday by his transfer to Glendale.

County Red Cross Starts New Blood-Typing Service Feb. 26

Inauguration of a blood typing service in Riverside county—to establish a ready file of volunteer donors for disasters or emergency—will start Thursday, February 26, in Riverside, it was announced by the American Red Cross, Riverside county chapter.

The first day of type registrations will be conducted by Dr. C. F. Baisinger under an agreement with the Riverside county medical association.

Chapter officials said that requests for donors are so frequent

that the present limited registry is inadequate.

No charge is made by the Red Cross or the donors.

Volunteers must be between the ages of 21 and 60 years old. Certain illnesses such as malaria, tuberculosis or undulant fever, would disqualify a prospective donor.

The initial typing will be done at the chapter house, 4380 Orange street, between 10 and 11 a.m. and 7 and 8 p.m.

Although the first day is primarily for volunteers from the Riverside area, any county resident may have his blood typed and the data for call use filed with the branch closest to his residence.

Mrs. Bailey H. Patterson of Riverside is chairman of the Blood Donor Service.

What Goes on in Palm Valley

By DON CAMERON

By DON CAMERON

The White Sun Guest Ranch, now owned by Jack Dengler of Sita Travel Agency and under the able management of Phil Langlois, has been doing a rushing business this past month.

This spot located just east of Rancho Mirage, has been known for many years as the "11 Mile Ranch," being exactly eleven miles from Palm Springs and Indio. Until the war it was owned by Harry Jones of the Cambria Pines Development Company and for a couple of years around 1939 and 1940 it was operated as the Desert Health School under Dr. Earl Tarr of Pasadena. For a year or more during the war the property was owned by Colonel Hainer, then stationed at March Field and finally it was acquired by Jack Dengler.

Among the guests this week are the Charles McDonalds and grandson Peter of Los Altos, June Milner and Sarah Schaeffer of San Diego and Paul Spier of Oakland. Paul operates the Nugget Grills in Oakland and San Francisco and this is his first trip to the desert since 1919. At that time he was on location in Palm Canyon with the late motion picture stars Charles Ray and Charlie Murray. Adjoining the White Sun is the new ranch belonging to Glen Odekirk, one of the head men of the Howard Hughes Aircraft. Glen lands in on the Desert Airpark field in his fast plane any time he can get away and taxis over to the south end of the strip where he can park his ship in his own back yard.

DESERT AIRPARK has had a full house all season. Spending a few weeks there are the R. D. Fageols of Ohio. It seems that Mr. Fageol is one of the outstanding automotive engineers of this country, with many inventions to his credit. He is also one of the four men on the Henry Ford gold cup committee. From Green Village, New Jersey comes Bert Cutler who could easily pass for the Duke of Windsor. Bert's new filly, High-N-Mighty made her debut at the Fairgrounds in New Orleans last Saturday and on Bert's mere mention of this fact some fancy bets were placed by the Desert Airpark folks. While High-N-Mighty didn't do her stuff, the spirit and the story of the "man with the horse," is still the topic in Palm Valley circles.

Claude and Edna Cobb dropped in Wednesday to enlist our support with the Cathedral City Cactus Jumpers Jamboree. This is being held February 28, at 8 p.m. at the Cathedral City Town Hall and deserves any help we can give, especially in the purchase of tickets.

Bill and Helen Reichel landed in from Piedmont Sunday evening. Their plans are to spend a month or more on their beautiful Rancho Escondido.

Visiting Rotarians,
92 of 'Em, Meet
With Local Club

Rotarians of the Palm Springs club were hard to find at the Desert Inn last Wednesday—even if they were holding a regular meeting. From Alaska and all over the United States, 92 visiting Rotarians snowed the local members under almost two-to-one. It was the largest number of visiting members which the Palm Springs club has ever had in attendance at a single meeting. Joe Wallace from Nome, Alaska, won the prize given each week by Reed Hubbell of the Garden Date Shop for the visitor farthest from home.

The occasion marked the 43rd anniversary of the founding of Rotary International at Chicago. Program Chairman Bob Bennett was interviewed on the history of Rotary by Rolland Valle, announcer at KCMJ and the program was rebroadcast last Wednesday evening by the local station. The worldwide civic club now has 308,000 members and is growing every year. It is represented at all the United Nations meetings and is devoting considerable attention to international relations. A Rotary Foundation, established for this purpose in honor of its founder, Paul Harris, is granting scholarships for young men to attend universities in other countries.

To See World

Five Lads Take off;
Two Are Being Held

Two of the five teen aged boys, who set forth last week to see the world, were reported in the toils of New Mexico officials and the FBI. The other three were last heard of, heading for San Diego where they plan to join the Navy.

The two boys in custody of police authorities, one 14 and the other 15, are charged with the theft of an automobile in River-

side and driving it across state lines in violation of the federal Dyer act.

All five, according to Chief of Police August Kettmann are victims of broken homes either by divorce or the death of one parent and have given the police trouble here in the past.

Success is determined by determination.

Blue eyes and black eyes contain exactly the same coloring pigments, known as melanin, according to the Encyclopedia Britannica. The difference in color is the result of the way in which light is reflected from the surface of the fibers which make up the iris. Black eyes also have more melanin than blue eyes do.

If there are young children in a family it's a good idea to have a convenient shelf or cabinet in the kitchen in which to store toys and other play materials.

The "antimacassar" or tidy for chair backs, gets its name from macassar hair oil. Women of the last century invented the tidy, and named it antimacassar, because it prevented oily hair from soiling chair backs.

Our Extension Rule
Has Been Revised

After March 1, 1948 we will, with the approval of the Public Utilities Commission, extend our lines under a new Line Extension Rule. On account of increasing construction costs, this new Rule will not, under certain circumstances, be as liberal as the present one. Any one desiring service under the present Extension Rule must make application at our District Offices prior to March 1, 1948. Any extension covered by an application made prior to March 1, 1948 will be constructed under the present Rule, provided that when we are ready to build the extension the premises to be served are wired or are completed to the extent of at least the frame and roof.

'T Aint So . . .

Everybody thought that when Art Laboe was on the air for 120 consecutive hours all by himself in behalf of the Community Campaign that the rest of us took a vacation. Nonsense! We were busy, as usual, getting programs ready to entertain the listeners.

And congratulations, Art, for your world's record in marathon announcing.

Museum Notes LLOYD MASON SMITH

Tonight's Film Classic Series presents four German films. The first of these, "The Cabinet of Dr. Caligari," is considered one of the three most famous films of all time. The others on the program are "The Golem," "Don Juan's Wedding," and "Misunderstood." These are all silent pictures. Open to members only at 8 p.m.
Tomorrow's field-trip, an all-day hike up Chino Canyon to the site of the tramway-terminus, will leave the museum at 10 a.m. About 8 miles round-trip easy walking is involved. Bring lunch, return at 5.

SATURDAY NIGHT'S guest lecturer will be Mr. Howard Stagner, Park-Naturalist from Sequoia, who will present an illustrated talk on "Sequoia—Land

of the Big Tree". Featured will be color movies of Western wild life. Public invited, no charge. 8 p.m.

Sunday night a special program has been scheduled entitled "American Folk Songs". The lecturer will be Mr. Sam Hinton of La Jolla, who was director of the Desert Museum during the war years. Mr. Hinton is now director of the museum at the Scripps Institute of Oceanography. Public invited, 8 p.m. No charge.

Next Tuesday's natural history films will be four in number. They are: "Karakotoa—the Blowing-up of a Volcano," "The Northwestern States," "The Birds of Canada," and "The Far Western States." Open to the public, 8 p.m. No charge.

LAST SATURDAY'S field-trip to Dry Falls was participated in by the following persons: Mr. E. R. Alexander Evelyn Clove Allan, Mrs. Paul Babcock, David C. Baird, Jessie F. Baird, Bruce Bernhard, Edward P. Brady, Helen Clatworthy, Lila Courcier, Warren Day, Bessie M. Edmonds, Kathryn Groot, Mr. and Mrs. E. C. Herthel, Major Francis Hutchinson, Mary G. Jenkins, M. Kelly, Albert Lamoureux, Bet Lamoureux, Mariette Leitch, B. Lempe, Mr. and Mrs. Joe Lowe, Edith and Hedwig Ludewig, Mrs. K. Matthews, Mrs. T. Miller, Nettie Moore, T. W. Moshier, Mamie Showers, Sadie L. Tripp, Michael Van Dame, Pearl Wentworth, Florence Willis, Anna Jordan, and Mrs. Stefanie Orth.

Sunday's field trip to Dripping Springs—the first to be conducted on Sunday for the benefit of those who work during the week—was enjoyed by nearly 30 persons. They were: Evelyn Clove Allan, George H. Byer, Edward P. Brady, Mr. and Mrs. Claude W. Gottbehuert, Mr. and Mrs. E. C. Herthel, Mr. and Mrs. Henry Huddleston, Anna Jordan, Kay Kelly, Norma Luning, Mrs. F. Miller, George F. Miller, Wayne Morris, Harry Myers, Mr. and Mrs. Okie Myers, Mrs. Stefanie Orth, Mrs. Stevens, Richard Stevens, Mr. and Mrs. A. G. Thomas, Elisabeth Tooker, Virginia-Lou Volden, Mrs. M. M. Waterman, LaRue C. Watson, Florence Willis.

MARY JANET DICKEY, Patricia Jane Dyal, Mr. and Mrs. Paul Babcock, Carroll B. Chilton, Earl S. Cordrey, Mr. and Mrs. Leslie C. Holden, James St. Jacques, Marcus J. Saxon, and Elisabeth Tooker became members of the Museum last week, bringing the total membership to date to 539.

Rent Control to Be Extended by Congress is Belief

Both sides of the highly controversial rent control question had plenty to talk about in the Village this week following the published account of the Supreme Court's decision to uphold the law and the report that some form of rent control would be voted by Congress before adjournment.

Landlords saw in the action of the senate banking committee reports some relief from the inequities of the law, while renters sighed with relief that rent controls would continue for at least 14 months even if property owners are given permission to hike rents.

THE SUPREME COURT decision, reversing a Cleveland Federal District court ruling came as house and senate committees approved extension of the controls. The senate banking committee agreed unanimously to extend controls for 14 months in modified form. The new bill provides for higher rents where landlords are suffering losses.

The house banking committee voted 18 to 5 to recommend an emergency 30-day extension of existing laws while it works out details of a longer run. The present law expires Feb. 29.

THE BILL, it is said, provides that those tenants who agreed to a 15 per cent increase in rents under the present existing law will be protected from another raise until April 30, 1949, thus giving these tenants another four months against increases.

In the Village there has been circulated a petition to rid this area of rent controls entirely. This has met vigorous criticism on the part of renters and oddly enough by some of the property owners themselves especially those who operate a business in the Village and are forced to employ help.

THIS GROUP contends that if ceilings on rents are removed here, salaried help will be unable to live in the Village and would be in competition with tourists and winter residents here for accommodations.
On the other hand the inequities in permitted rents are seen in some cases where charges have been pegged on the amount of rents charged in 1942, whereas other establishments built since that year and inferior in accommodations are permitted to charge more money.

J. B. Green Taken By Death After 8 Month Illness

J. B. Green, resident of Palm Springs for the past three years, widely known property owner and civic leader in Long Beach, succumbed at Loma Linda hospital February 12, after an illness of almost eight months.

He recently became interested in realty development at Costa Mesa. When here he made his home at 455 Camino del Norte. He is survived by his widow, Mrs. Evelyn Florence Green, and six children, June, Diane, Carolyn, Suzanne, John B. Jr., and Mary Ann; a sister, Mrs. K. H. Young of Los Angeles; and a brother, Thomas Blair Green of Palm Springs.

Services were held last Saturday at the Grauel chapel in Costa Mesa and interment was in Rose Hills Memorial, Whittier.

St. Augustine, the oldest city of European origin in the United States, was founded in 1565.

Traveling Through South Pacific Not As Exciting Now

It might have been exciting and dangerous to sail South Pacific waters as the master of a vessel during the war with Japan but there was no longing for the return of those days in a letter just received here from Australia written by Oscar Lund, captain of the ship Crater Lake.

The letter which was received by Estelle Ewart, of Rancho Mirage, was postmarked Sydney, Australia, where the Crater Lake dropped anchor to discharge and take on a cargo.

Wrote the captain: "It is wonderful to be at ease again and enjoy the daybreak and the beautiful sunsets running down through the south seas. During the war the trips were made in total darkness, following a zig-zag course through waters infested with Jap submarines."

The captain, a great lover of the desert and who plans to become a landlubber as the owner of a home at Rancho Mirage, wrote that his ship is bound from Australia to the Persian Gulf. There a load of diesel oil will be discharged and then up through the Malacca Straits with a stop at Singapore and some ports in China.

"When my days at sea are over," continued the captain, "I can't think of a more blissful spot to settle in and become a landlubber than in Rancho Mirage."

And the King of Israel answered and said, Tell him, Let not him that girdeth on his harness boast himself as he that putteth it off.—I Kings 20:11.

Some folks who don't know where they're going wonder why they don't get there.

Soroptimists Hear Speeches by Two High School Girls

Soroptimists club of Palm Springs met in regular session Tuesday at the Desert Inn with Miss Katherine Finchey, president, in the chair.

Many interesting guests were present including Alberta Cray

of the Whittier club, Blanche Denslow of the LaJolla club, Nellie Rowden of the Beaumont club who brought as her guest Nora Simpson of Palm Springs. Mrs. H. C. Davidson was a guest of Mary Kingsbury Whitehouse and Lois Lux had as her guest, Dorothy Gibson of Santa Ana.

The speakers were Ann Welles and Betty Wright from the high school who will compete in coming oratory contests.

Miss Welles spoke on the topic "Are the Doors of Opportunity Open to the American Youth of Today?" and Miss Wright's subject was "The Privileges and Responsibilities of an American Citizen."

Before adjournment, several group pictures were taken to be sent later to the Palm Springs' sister club of Soroptimists in St. Helens, Lancashire, England.
